

▶ Multi-Purpose Removable Print Media

Easy On. Easy Off.

DPF 4300 is an intermediate multi-purpose print media film featuring a removable adhesive. The Easy On, Easy Off features include a robust face film that is thick enough to be easily applied without a laminate. The adhesive allows easy removal on a variety of standard substrates including walls, windows and more. DPF 4300 offers flexibility as well as high opacity for covering previous graphics as well as providing good resistance to scuffing, tearing, and abrasion to help protect your graphics. DPF 4300 is a great solution for your applications requiring a removable adhesive for multiple substrates.
