

DAF DOUBLE SIDED TAPE **OPTICALLY CLEAR** **PERMANENT/REMOVABLE**

DAF DOUBLE –SIDED OPTICALLY CLEAR PERMANENT / REMOVABLE TAPE is the companion solution for mounting any non-adhesive DAF films, including **DAF Double-Sided Block-Out Polypropylene** and **DAF PET Perf**. The primary surface is a permanent adhesive, and the secondary surface, protected by a release liner, is a removable adhesive. **DAF DOUBLE-SIDED P/R TAPE** is a great solution for mounting printed graphics on the inside of windows facing out, as well as for mounting non-adhesive clear and perforated graphics where clarity is imperative. Try **DAF DOUBLE-SIDED OPTICALLY CLEAR P/R TAPE** for your mounting needs!
