

Absolute™ Clear Film with Interleaf

■ gloss 3148

PRODUCT DESCRIPTION

3148 Absolute™ Clear Film with Interleaf is the clearest inkjet film available today. This 4.5 mil film features extremely fast drytimes, and high inkload capacity without sacrificing true optical clarity. 3148 also features an acid free interleaf paper to prevent scratching as the film feeds through any printer. The interleaf paper provides universal compatibility with printers utilizing media sensing systems and provides needed contrast for print viewing prior to application.
